Please keep all of the team in your prayers as they prepare for a great spiritual weekend. Continue doing wheat as it is helping us get candidates and letting us do what we do best. The weekend will be June 13-15. As a reminder the hoot will be at St Marks Church.

A PLENTIFUL HARVEST

When I think of "A Plentiful Harvest" I think of God's abundant grace in my life. I think of the gifts and talents that God has placed within and invites me to use them in proclaiming the "Good News". Too often our human instincts cause us to look at life from the perspective of scarcity. When in reality God is always calling us to live life to the full. As we grow in our Christian journey we often find that those who operate in God's economy experience life from a perspective of "Plenty". What a gift! What a joy! Embracing the paschal mystery story in our lives enables us to experience the "Kingdom of God" here and now, in this life. So as you make plans to join us at TEC Congress this summer, it is with great confidence we can say that your harvest will be "Plenty".

WANT TO GET MORE INVOLVED?!

Tec Congress is coming to Peoria!!!! Our theme this year is "A Plentiful Harvest". We are very excited to be hosting this year and are getting ready. We are chartering the Spirit of Peoria riverboat and hope to pack the TEC center. If you are interested in getting involved there are plenty of ways to help out including being on TEC Congress wheat team. If interested in wheat team or for more information call Colleen Juraco at 309.389.4683. She has information on wheat team as well as other ways to get involved. TEC is also working on fundraising for the weekend. If you are able to contribute to the fundraising, any amount will help. If you can give money you can mail your donation, drop it off at the TEC office, or label a envelope and drop it in the collection basket at mass. Dates of the Congress are July 24—26. If you are interested in helping with fundraising in any other way or need more information please contact Dave Templin at 309.264.0262.
